

Psalm of Liberation

Joe Nassal, C.P.P.S.

The Blood of Christ refreshes our souls, give us new courage, liberates our lives. The blood of the poor soaks into the land, cries out for justice yearning for peace.

RESPONSE: We are redeemed in the Blood of Christ; We are washed in love. Sent by the Blood, stained by the Blood, We are servants of the Blood of Christ.

The bones of the weary ache for an answer, searching for vision, shout out with new strength.

RESPONSE: We are redeemed in the Blood of Christ; We are washed in love. Sent by the Blood, stained by the Blood, We are servants of the Blood of Christ.

The blood of the wounded looking for healing, teaching compassion, we touch with our hands.

RESPONSE: We are redeemed in the Blood of Christ; We are washed in love. Sent by the Blood, stained by the Blood, We are servants of the Blood of Christ.

Blood of new covenant welcomes the stranger, seeking communion, we are companions.

RESPONSE: We are redeemed in the Blood of Christ; We are washed in love. Sent by the Blood, stained by the Blood, We are servants of the Blood of Christ.

The cup of salvation poured out in service, stream of redemption, we thirst to be free.

RESPONSE: We are redeemed in the Blood of Christ; We are washed in love. Sent by the Blood, stained by the Blood, We are servants of the Blood of Christ.

The Blood of the cross, bringing us closer, bounds us in charity, we long to be one.

RESPONSE: We are redeemed in the Blood of Christ; We are washed in love. Sent by the Blood, stained by the Blood, We are servants of the Blood of Christ.

The breath of the dying conspiring for life, remembering mercy, we comfort with hope.

RESPONSE: We are redeemed in the Blood of Christ; We are washed in love. Sent by the Blood, stained by the Blood, We are servants of the Blood of Christ.
